Why Choose Maogast?

| | |
|------------------------------|--|
| ☑ Registered & Authentic | Maogast Softworks Limited is a fully registered Kenyan company – learn from a legitimate business. |
| ☑ Real-World Projects | Build a portfolio with actual client briefs (NK Organics, BrightSpark Electronics). Not just theory. |
| ☑ Expert Instructors | Trainers are active industry professionals in software, design, and marketing. |
| ☑ Certificate of Completion | Earn a certificate recognised by local businesses and churches. Boost your CV. |
| ☑ Flexible Schedule | Evening and weekend classes available. Recorded sessions for those who miss live training. |
| ☑ Affordable & Payment Plans | Pay in instalments (50% upfront, 50% later). Early-bird discounts for groups. |
| ☑ Focused, Not Shallow | University spreads you thin. We drill deep into one field – so you master what the industry needs. |

Our Training Programs

| Course | Duration | Price (KES) |
|---|----------|-------------|
| Software Development Bootcamp Master Next.js, React, TypeScript, backend integration. Build real projects: e-commerce, dashboards, inventory systems. | 7 weeks | 60,000 |

-

What Our Students Say

“The Software Development Bootcamp changed my career. After 7 weeks, I built a full-stack inventory app and got hired as a junior developer. The mentors are still available for support.”

– **Kevin O.**, Graduate & Software Engineer
